**TRUE SUCCESS WITH WOMEN REQUIRES BOTH INNER AND OUTER GAME...**

Carlos Xuma shares the insider secrets of how to attract women the right way - by being the **REAL** you!

R.E.A.L. Game cuts through all the confusing and contradicting information out there to help you get **REAL** success with women - by using the best parts of your **authentic** personality.

**R = Relaxed & Resourceful**

**E = Effective & Energized**

**A = Authentic & Alpha**

**L = Lifestyle & Lasting**

**Most approaches and seductions fail** because the guy isn't confident and congruent with his true identity. He feels like he needs to rely on a line or "fake" opener to get her interested. While having a few stories and techniques is important, it's the **attitude** that shines through.

Carlos gives you both the **inner game** and the **outer game**. When you have *both*, your skill becomes **natural** - and more effective. Attraction is **predictable** and **repeatable**.

It all starts with your natural **Alpha Man abilities** - the foundation of who you are right now. **No more faking it!**
